

LUSTER™

Stainless Steel Cleaner Polish

DESCRIPTION

An easy to use, quick acting metal cleaner and polish in an emulsion concentrate. This modern formula contains detergents, cleaners, emulsifiers, metal brighteners, stain removers and polishing aids for quick wipe-on, wipe-off application.

PRODUCT FEATURES / BENEFITS

- Concentrated powerful emulsion / Manufactured for safe, noncorrosive, non-poisoning use
- Cleaner, polish, protectant / Multi-functional formula for maximum results
- Pleasant odor / Allows for unilateral acceptance by all consumers
- Liquid formulation / Non-aerosol cost effective use
- Provides protection film / Reduces labor of re-cleaning and wiping

DIRECTIONS FOR USE

Designed for maximum efficiency, cleans and polishes in one quick operation. Imparts a deep hard luster, beautifies and helps to protect the original finish. Ideal for use on stainless steel, plastic, wood, marble, and many other hard surfaces.

Apply undiluted by lightly spraying directly onto surface or applying first to a clean soft cloth. Immediately polish to a high luster with a clean cloth.

SPECIFICATIONS
